This image shows a blank sheet of handwriting practice paper. It features five identical sets of horizontal lines arranged vertically. Each set includes three lines: a solid top line, a dashed middle line, and a solid bottom line, providing a guide for letter height and placement. The background is white, and the lines are black.

Chick Hatching Journal

VOCABULARY DEFINITIONS (suggestions)

Life cycle – sequence of how a living thing grows and develops

Egg – home of a developing chick before it hatches

Shell – outer part of the egg that protects the chicks

Yolk – the yellow part inside the egg which is food for the chick

Embryo – the early stage of growth for the chick

Albumen – the white part inside that protects the chicks

Incubator – a warming box used to hatch eggs

Candling – a way to look inside the egg

Hatch – how a chick gets out of the egg

Egg tooth – a baby tooth on the beak that helps the chick break through the shell

Beak – the hard part of a chick's face

Down – soft fluff a chick is born with

Brooder – a special box for baby chicks to live in

Nutrients – the vitamins and minerals that keep living things healthy

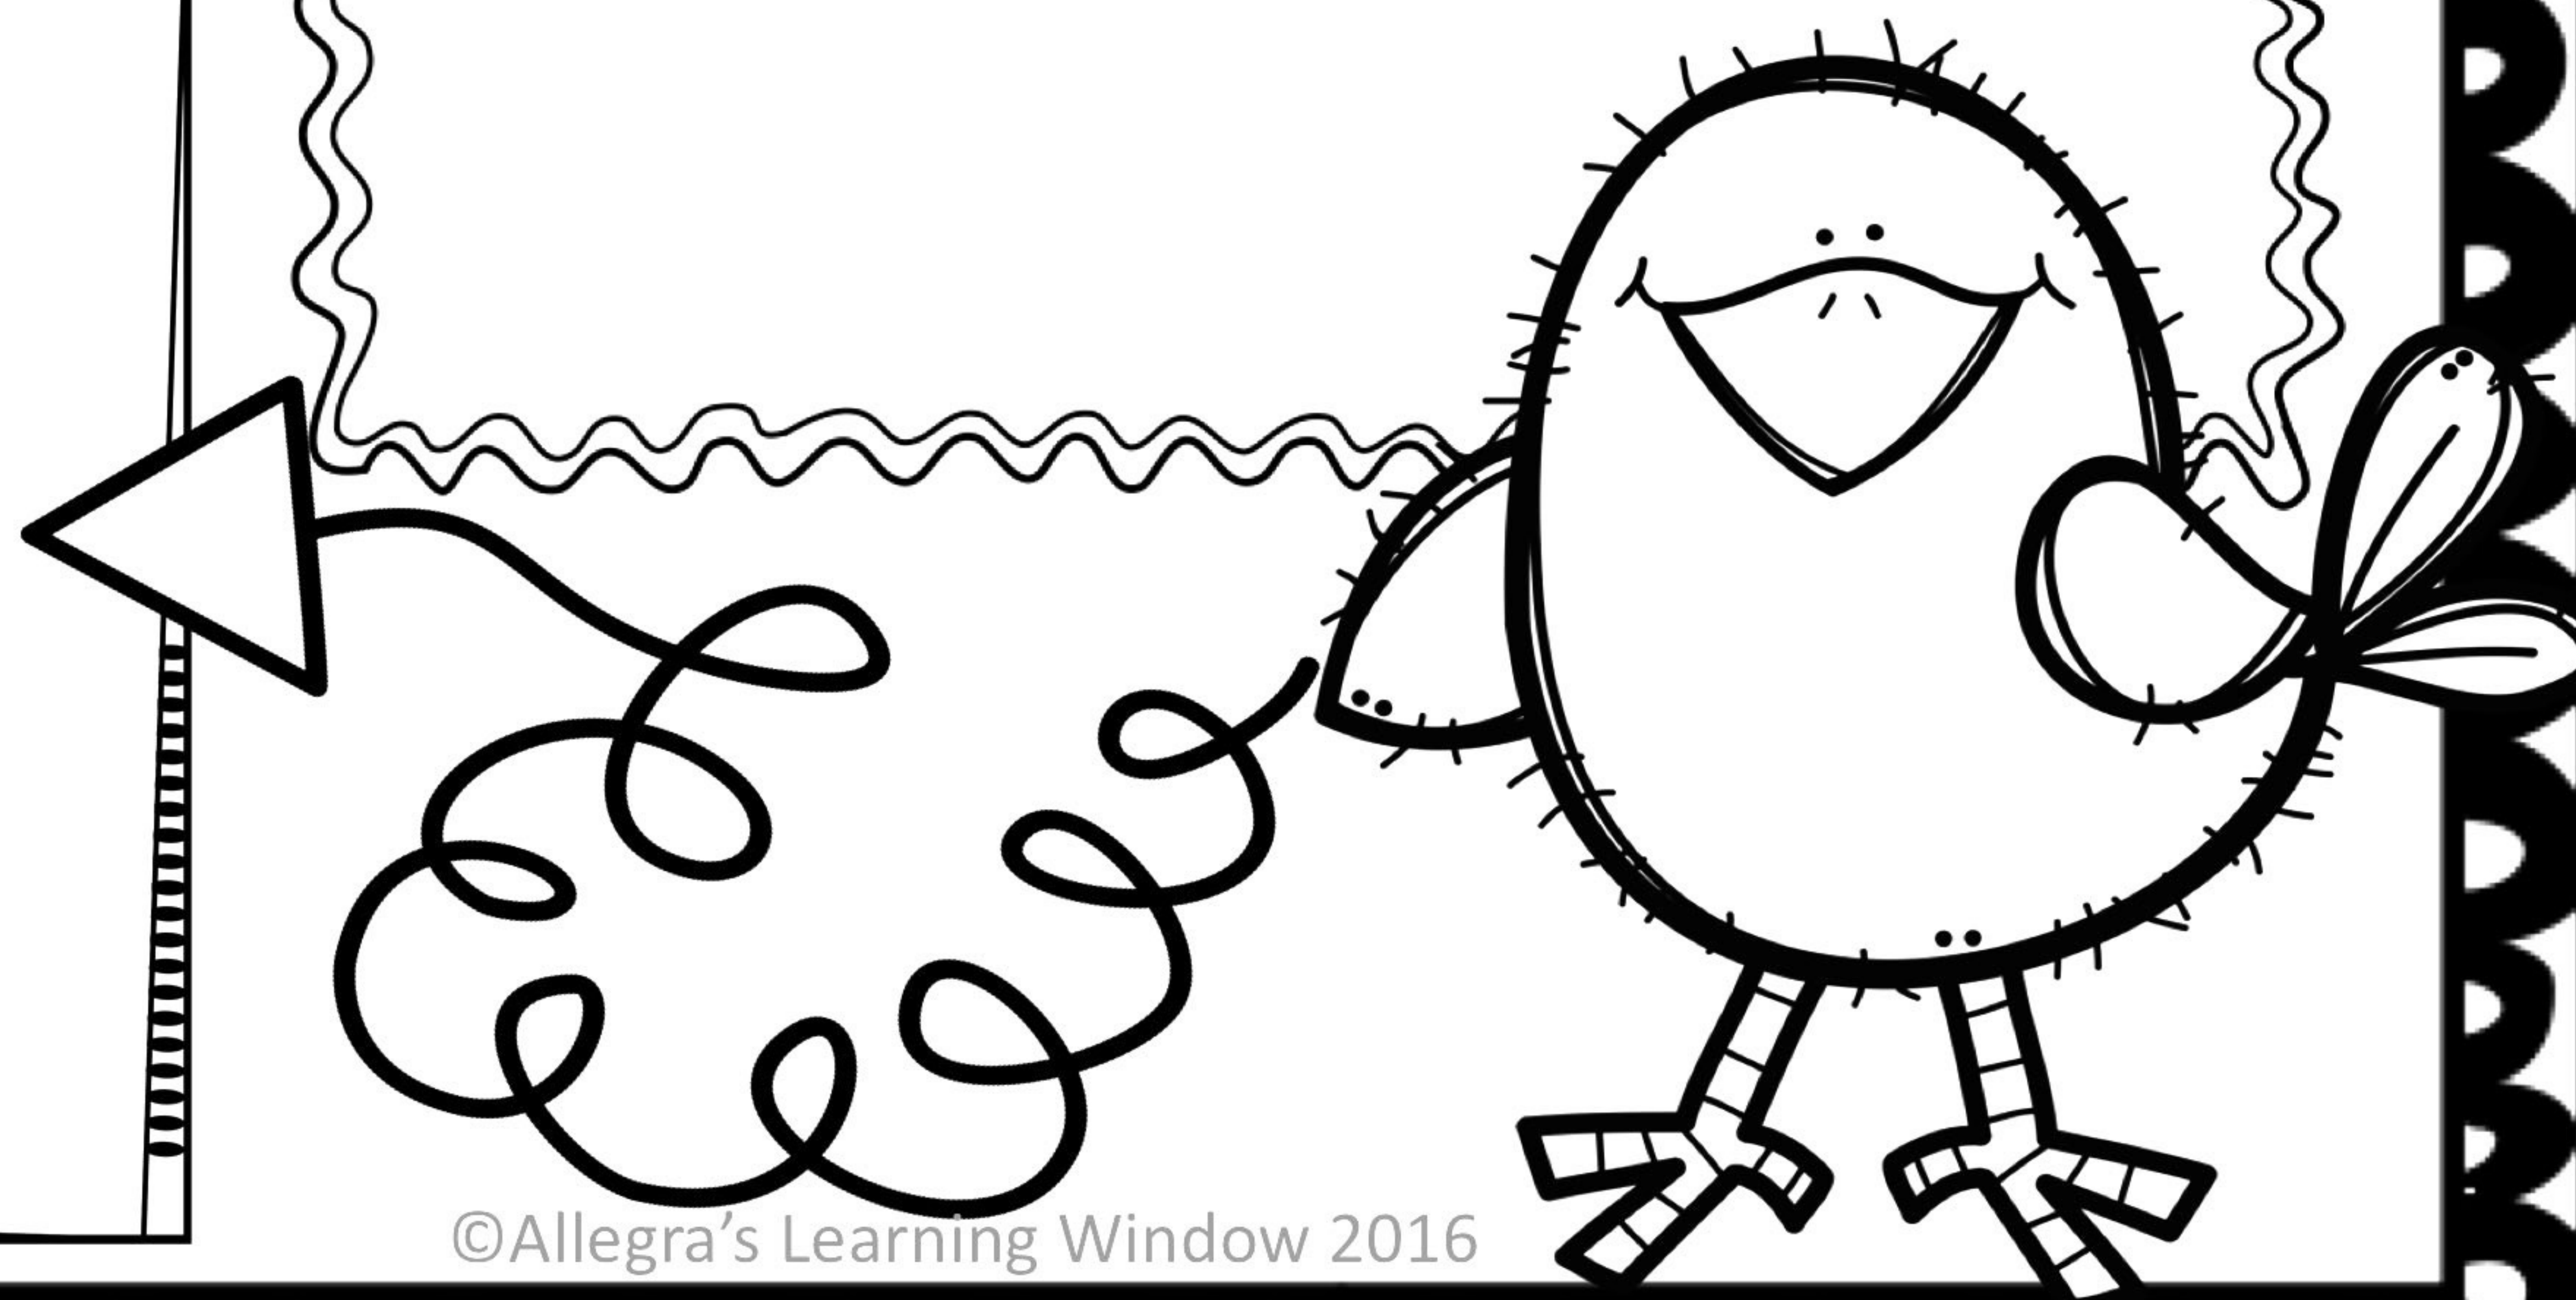

Environment – the conditions around us

Back at the farm,

A worksheet template for handwriting practice. It features a large rectangular area with a decorative border of small circles. Inside this area, there are 10 sets of horizontal lines for writing. Each set consists of a solid top line, a dashed middle line, and a solid bottom line. In the bottom right corner of the writing area, there is a small, stylized illustration of a house with a chimney and a window.
